

Why join the Brick SEPTA?

Brick Township Special Education PTA helps parents by bringing together people who have an interest in Special Education. Our PTA provides a forum enabling parents, teachers and experts in the field of Special Education to share their knowledge and experience. We welcome and encourage your membership and participation. SEPTA will frequently have guest speakers from different organizations associated with specific disabilities. We share information on laws, services and local workshops. Most importantly, we provide a supportive environment to parents.
